Dear Friend:

We are inviting you and your corporate staff or business partners to join us in celebrating your successes in building an increasingly diverse and inclusive workforce in northeast Florida. On Friday, October 9, the Jacksonville Area Sexual Minority Youth Network, Inc. (JASMYN) will host its third annual breakfast to commemorate National Coming-Out Day. The Coming-Out Day Breakfast will bring together individuals from profit and non-profit companies that have been active in supporting lesbian, gay, bisexual, transgender (LGBT) policies, affinity groups or networks, and programs for LGBT youth. The theme of the breakfast *Coming Together - Building the Future with the Next Generation* will provide us with a special opportunity to honor some of the corporate and community participants who are on the cutting-edge of these positive changes.

Last year, the Coming-Out Day Breakfast was attended by over 120 people from 10 companies. Several local corporations were honored for their leadership and support for equality for their LGBT employees and the larger community. Since then, the Coming-Out Day Breakfast has been seen as a catalyst in Jacksonville for bringing together LGBT employee networking groups and encouraging companies to move forward in embracing this diversity in the workplace.

There are several mechanisms for your company to participate in the Coming-Out Day Breakfast. These include serving as Title Sponsor, Diversity Sponsor, table patron, or by purchasing a table for your corporate representatives or business partners. Please take a moment to look at the enclosure and let us know how you would like to participate in this celebration. You may call or email Natalie Nguyen at (904) 389-3857, ext. 209 or nnguyen@jasmyn.org to discuss sponsorship options and reservations for tables.

We look forward to seeing you at this third annual Coming-Out Day Breakfast: *Coming Together - Building the Future with the Next Generation*, October 9, 2009, 7:30 – 9:30 am at the UNF University Center, 12000 Alumni Drive, Jacksonville.

Sincerely,
